

SABA

April 22-29, 2023

Join the Aqua Center as we journey once again to the “unspoiled Queen” of the Dutch Caribbean--the island of SABA! Saba is that secret island which many dream of but few are fortunate to find.

We will be staying at the lovely *Juliana's Hotel*, and diving with *Sea Saba*. There are a wide range of dive sites without the need for long boat rides. You can expect to see interesting critters, large fish, turtles, and sharks; dramatic drop-offs and walls; stunning sea mounts; plummeting pinnacles; and healthy, gradual sloping reefs.

When you're not diving, you can do some sightseeing, hiking, shopping at the local shops, or simply relax and enjoy the hotel's pool and jacuzzi.
