

St. Eustatius

April 15 to 22, 2018

Connie fell in **LOVE** with St. Eustatius and wants to go back again in 2018. This dive trip package **INCLUDES** seven (7) nights accommodations in a garden view room at the historic *Old Gin House* with breakfast daily; five (5) days of two (2) single tank morning boat dives and one (1) afternoon boat dive with *Scubaqua*, including tanks (**free Nitrox if you are so certified**), weights, and belts; round-trip airport transfers on the island; and all hotel taxes and service fees.

*Round-trip airfare, stateside ground transportation/parking, lodging while in transit, meals not specifically noted, marine park fee (\$30), and gratuities **are not** included.*

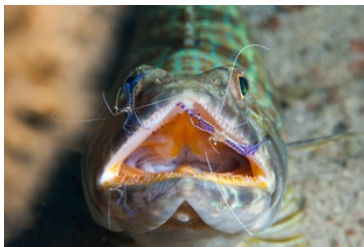

Extra afternoon dives, as well as night dives (conditions permitting), are available for an additional fee.
