

ST. EUSTATIUS

October 7-14, 2018

Due to the *GREAT SNOW STORM OF APRIL 2018*, our initial trip scheduled for April 15-22 was cancelled. However, because a majority of the divers still wanted to go, the trip has been rescheduled, and is re-opened to fill the vacant spaces of those divers who cannot now make the October trip. Join Connie and discover why she LOVES this dive destination and maybe even help you find an 18th century blue bead once used to pay slaves (the only artifact you are allowed to take from the island).

The dive trip package includes seven (7) nights accommodations in a garden view room at the historic *Old Gin House* with breakfast daily; five (5) days of two (2) single tank morning boat dives and one (1) afternoon boat dive with *Scubaqua*, including tanks (free Nitrox if you are so certified), weights, and belts; round-trip airport transfers on the island; and all hotel taxes and service fees.

Round-trip airfare from Milwaukee (estimated at \$950), stateside ground transportation/parking, lodging while in transit, meals (except breakfast in the package), marine park fee (\$30), departure tax (\$15), and gratuities are not included.

Extra afternoon and night dives (weather conditions permitting) are available for an additional fee.

PACKAGE PRICE (diver/double occupancy): ONLY \$1,179!

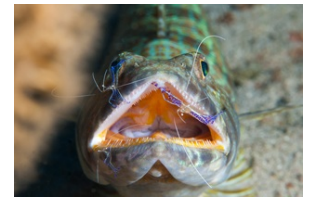

Non-diver (with a diver): Deduct \$500

Single Occupancy: Add \$500

PAYMENT IN FULL DUE AT TIME OF RESERVATION.

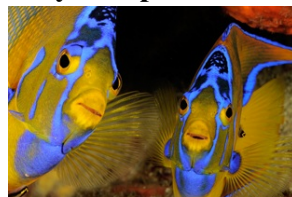

Two (2) rooms are still available.

Any unused space will be released June 30, 2018.

Call or e-mail Connie at the Aqua Center: 920-468-8080 or info@aquacntr.com

to reserve your spot or for more info.

No refunds on any unused portions on package due to weather or personal preference.

It is HIGHLY recommended that you purchase travel insurance to protect your investment. Aqua Center recommends travel insurance (which also includes dive insurance) purchased through DIVE ASSURE (see link at aquacntr.com). PROOF OF DIVE INSURANCE IS REQUIRED FOR ALL DIVERS.
